
Insights Into Engineering & Innovation Seminar

Date: 5th November 2009

Location: Ho Man Tin Plaza- OUHK Campus 10

Type: Technical Seminars

We were honor to invite Lawrence Chan- the director of an IT company, Mr. Sunny Chu- an experienced engineer and Dr. Kevin Hung- lecturer in engineering science to share their experience in electronic engineering and IT professional. And it gave the students an idea of what life is like working as an engineer or IT professional, a general overview of career prospect, possible career paths, and newest trends in engineering and IT.
