
Seminar - Oh You are in IT

Date: 10th November 2014

Location: C0618, Ho Man Tin Campus, OUHK

Type: Career Talk

We were honor to invite The Founder and MD of ITAPPS LIMITED – Mr. Chris Cheng to give a talk about the industry in Asia and its' trends and share the experience in IT with our students. From there, students may discover their potential and can plan for a better future in the world of IT.

Rundown:

1. An IT engineer in a software company
 2. A senior technical analyst at largest bank in Canada
 3. One of the top performers in Sales for a subsidiary of HK Telecom
 4. Worked for a US technology company to introduce phone banking systems in Asia
 5. Found his own company and expanded to other major Asian countries
 6. Company is now serving 300+ major corporations
 7. Travelling to different countries to meet IT personnel. Senior Executives of major corporations, business owners and many leaders in different aspects.
