

Technical Visit to Stratasys

Date: 17th February 2016

Location: C-BONS International Centre, Ngau Tau Kok

Type: Technical Visit

Stratasys Ltd. (NASDAQ:SSYS) has been a defining force and dominant player in 3D printing and additive manufacturing – shaping the way things are made. Headquartered in Minneapolis, Minnesota and Rehovot, Israel, the company empowers customers across a broad range of vertical markets by enabling new paradigms for design and manufacturing.

During the visit, students had a chance to observe the system of 3D printing and the product. The students understood more about 3D printing.
