

Technical Visit to RTHK

Date: 12th July 2016

Location: RTHK, Broadcasting House, 30 Broadcast Drive, Kowloon

Type: Technical visits

Established in 1928, Radio Television Hong Kong (RTHK), the oldest broadcasting station in Hong Kong, is also the sole public service broadcaster and operates independently from other government departments.

During the visit, the staff guided the students to different place in RTHK, like Music & Sound Archive Library and Studio. Students got to know RTHK's structure and routine practice of broadcasting. The visit broadened students' horizon and made students learn about the operations and professional services provided by RTHK.
