

## Technical Visit to Hong Kong International Airport

**Date:** 20<sup>th</sup> April 2018

**Location:** Hong Kong International Airport

**Type:** Technical visits

A technical visit to the Hong Kong International Airport (HKIA) was organized by the IEEE OUHK Student Branch on 20 Apr 2018 (Fri). Led by HKIA staff, the visit started with presentation and experience sharing, followed by guided tour of the Integrated Airport Centre and Airfield. The students have learned much about the current and future developments of HKIA, as well as the related career opportunities.
