

## Technical Visit to Hong Kong Electric Lamma Power Station

---

**Date: 30 May 2018**

**Location: Lamma Island**

**Type: Technical visits**

---

A technical visit to Hong Kong Electric Lamma Power Station was organized by the Engineering Sciences Team and IEEE OUHK Student Branch on 30 May 2018 (Wed). Led by HKE staff, the group took the company ferry from Ap Lei Chau to Lamma Island. They were guided to visit the visitor centre, solar PV system, turbine hall, gas-fired generating unit, and gas receiving station.
