## Study Tour to Canada: Where Technologies meet Nature

---

**Date: 4<sup>th</sup> to 12<sup>th</sup> June 2018**

**Location: Vancouver, Canada**

**Type: Study Tours**

---

The study tour was organized by the Engineering Sciences Team and supported by the IEEE OUHK Student Branch. The objective of this study tour is to provide students of OUHK with the opportunity to (i) Gain a better understanding of the current technological developments in Canada; (ii) Exchange ideas with people who are in the academic and industrial sectors in Canada; and (iii) Appreciate how technologies benefit the environment, economy, and society. The group visited various sites and universities including, University of British Columbia (UBC), Simon Fraser University (SFU), British Columbia Institute of Technology (BCIT), Douglas College, Gulf of Georgia Cannery, Britannia Shipyards, Richmond Olympic Oval, Museum of Anthropology, Science World, Gastown, Vancouver Library, Granville Island, local beer brewery and vineyard, Museum of Vancouver, Aquarium, Capilano Suspension Bridge, Salmon Hatchery, Shannon Fall, and Whistler Village.
